Congratulations to the winners in all sections of the Members Art & Craft Exhibition – a full list of results are published elsewhere in this Newsletter. Thank you to those who exhibited . art entries overall were well supported but the craft entries were disappointing considering the prize monies were increased and the nomination fees reduced. Hopefully next year more members will get involved.

Many thanks to those who put in so much time helping with the planning, organising, printing, obtaining judges etc. and all the many things that made opening night a success. The whole Management Committee was there helping on the night which was great to see. Thank you to David Coggins for looking after the drinks and to Bob McLachlan and Graham Robinosn for manning the door. These jobs were time-consuming and very much appreciated.

Next year will be our final exhibition in the Fire Station Gallery: so lets all work together to make it a great one.

The November meeting (Wednesday Nov 11<sup>th</sup>) at Old Bay Road will be the last General Meeting for the year – **needing 21 for a quorum** – so do come along – there will be much to discuss.
